

Brought to you by *The Dante Alighieri Society of British Columbia* and *UBC's Department of French, Hispanic and Italian Studies* in collaboration with the *Consulate General of Italy in Vancouver* and in association with *ARPICO*.

DIRECTED BY VALERIO JALONGO

THE SENSE OF BEAUTY

ART AND SCIENCE AT CERN

An unprecedented experiment drives scientists and artists throughout the world towards the line where science and art, in different ways, pursue truth—and, in doing so, become alert to an elusive sixth or seventh sense: beauty.

DOCUMENTARY SEMINAR

Monday, Sept. 24, 2018
1:00 - 2:30 PM

Buchanan Penthouse, UBC
No Registration Required

DOCUMENTARY SCREENING

Tuesday, Sept. 25, 2018
6:30 PM onwards

The Cinematheque, Vancouver
Free Admission

Italian film director Valerio Jalongo will be present at both events to talk about his creative process when making the documentary and to answer questions.
